 Ashoka Garden, Bhopal,
Madhya Pradesh 462023

Skills

- Python (NumPy, Pandas, Scikit-learn)
- Data Visualization (Matplotlib, Seaborn, Power BI / Tableau)
- SQL
- Machine Learning
- Statistics & Probability

Language

- English
- Hindi

Education

- **(2024-2027)**
LNCT UNIVERSITY BHOPAL
Bachelor of Computer Application

- **(2021-2023)**
INTERMEDIATE
St. CPMA
54%

Experience

- **FRESHER**
CRICKET SHOT ANALYZER | PROJECT EXPERIENCE
 - Developed real-time shot detection system using OpenCV & MediaPipe
 - Implemented computer vision techniques for shot classification
 - Built interactive UI using Streamlit
 - Improved detection accuracy through model tuning

● Tools

- Jupyter Notebook
- Git & GitHub
- Excel
